PETITION TO REVIVE UNDER 37 CFR 1.137(b)

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This paper responds to the Notice of Abandonment mailed June 24, 2005, which issued as a result of the Applicants failure to submit a proper reply to the Office Action dated December 1, 2004. As noted in the Notice of Abandonment, Applicants' failure to respond stemmed from the unexpected death of the attorney that was previously working on the case. Another of Applicants' attorney noticed this failure to respond while completing a routine status check and immediately brought the issue to the attention of the SPE, who in turn issued the Notice.

Therefore, the Applicants respectfully petition that above-identified application be revived under 37 CFR 1.137(b). The Applicants respectfully submit that any delay in advancing

prosecution in the application from the due date of the reply until the filing of a grantable petition to revive the application was unintentional and accidental.

The Applicants respectfully request that the Response included herewith be entered. The Applicants authorize the Commissioner to deduct the required petition fee of \$750.00, as set forth in section 1.17(m), as well as any additional fees associated with advancing prosecution in this application from account number 13-0017.

Respectfully submitted,

By: Ronald Spuhler
